## **Rationale**

1. To promote and encourage **Self-Directed Learning, Choice-Based After-Curriculum Lessons**
2. The remedial schedule serves as a platform to **deconflict** teachers' appointments with the same student.

## **Semester 2 (Near Prelims & After Prelims):**

1. Teachers can continue to open up remedial classes on choice-basis nearer the Prelims, when all the content gaps have been closed.
2. After Prelims, teachers can open up slots for students to consult teacher based on their customized needs (for weaker topics).
3. Adhere to the group size of about 10-15 students.
