1. SCHOOL RULES & REGULATIONS 2026

Meridian Secondary School adopts a restorative approach to nurture positive behaviour and responsibility in students. The goal is to instil self-management and strong character in students through a whole-school, multi-faceted approach. Guiding behaviour is viewed as a learning process that develops students' thinking and moral faculties.

A key strategy for fostering positive behaviour is to build students' social and emotional competencies by:

- creating a supportive environment;
- inculcating values and social-emotional skills;
- providing opportunities for students to demonstrate responsible actions; and
- guiding students through a reflective journey towards better character development.

School rules are intended to help students cultivate positive habits that empower them to learn and grow in a safe, conducive, and meaningful environment. These rules provide clarity in students' behaviour in and out of school, and during Independent Learning Day. The Student Management (SM) Committee oversees matters relating to student behaviour and growth.

The school is committed to partner with parents in ensuring that school rules are adhered to by all students. Parents are encouraged to contact the school (**Tel: 6583 1387**) for clarifications.

A. RULES

The following are mandatory rules that all Meridians must observe:

1. National Anthem and Pledge

Students who are Singapore citizens must sing the National Anthem and take the National Pledge. Students will take the National Pledge with the right fist placed over the heart.

2. School Attire

2.1 Students are to be in the day's Full/Half School Uniform by Flag Raising Ceremony.

2.2 School attire standards apply for Independent Learning Days if the student chooses to return to school.

Students are to wear the prescribed school uniform and any modification to the uniform is NOT allowed. (Refer to Annex)

2.3 Students must always wear the school uniform smartly with shirts/T-shirts tucked in neatly.

3. Attendance and Punctuality

- 3.1 Punctuality and regular attendance are essential habits that support every student's learning and personal growth. Arriving on time and being present in class demonstrate responsibility, respect for others, and readiness to learn. These are habits that do not form overnight — they require consistent practice, conscious effort, and self-discipline. By upholding these expectations, we help students build strong routines that will benefit them not only in school but throughout life.
- 3.2 Students must remove their headphones or earbuds when entering the school as a form of practicing road safety.
- 3.3 Students must be punctual for all school activities including Flag-Raising Ceremony, lessons, CCA and official school functions. Students who are absent from any of these activities must produce medical certificates / official documentary proof of absence.
- 3.4 The respective venues for Flag Raising Ceremony are as follows:

Students who are not standing in position with their respective class at the Flag Raising Ceremony venue **by 7.30am** will be considered **late** for school.

A well-groomed appearance also supports a conducive learning environment, reduces distractions, and promotes a sense of unity and school pride. 5. Cleanliness

- 5.1 Maintaining cleanliness in the school environment is essential to prevent pest infestations and ensure a safe, healthy, and conducive space for teaching and learning. A clean environment supports students' well-being, reduces health risks, and promotes positive habits of responsibility and care for shared spaces.
- 5.2 Students must not litter in and out of the school premises.
- 5.3 Students must do their part to maintain the state of cleanliness in the school premises.
- 5.4 Consumption of food and drinks beyond the canteen is not allowed except for plain/mineral water which can be brought back to the classrooms.

6. School and Public Property

This helps build a culture of respect, ownership, and civic responsibility.

7.5.2 The specific rule pertaining to the use of the various school facilities must be strictly always adhered to.

8. Use of Smart Gadgets

Limiting handphone use supports students' mental well-being by reducing distractions, social pressure, and overstimulation. It helps them stay present, build healthier screen habits, and engage more meaningfully with their peers. Keeping handphones away during school hours also allows students to maintain better focus in class, promoting deeper learning and improved academic performance. This creates a calmer, more focused, and more supportive environment for everyone.

Therefore, the use of smart gadgets (e.g. smartphones/smart watches) is **NOT allowed during school hours, including recess, CCA and after school programmes** (e.g. supplementary/enrichment/remedial lesson). Students found to infringe this rule, may have their phones confiscated by the teacher for the day.
